

# End-user certification

This end-user certification must be completed, signed, dated, and emailed to [EUC@fischione.com](mailto:EUC@fischione.com).

If you are faxing the document, fax both pages to **+1 724 325 5443**.

1. This is to certify that the goods imported from E.A. Fischione Instruments, Inc. under our P.O./R.F.Q. number  will be destined for the following end use:

- Military/Defense     Space/Satellite     Missile     Commercial     Other

2. Provide a detailed end-use statement describing how the item will be used in a named system and the end use of that system. For military and research end use, please state the program name and the purpose for the program. For research end use also state if the research is fundamental or applied, and the ultimate recipient of the research results. Please do not use acronyms.

**Detailed end-use statement:**

3. Certify that the goods will not be destined for the end uses or end users listed below, as dictated by United States export control law.
- A. Nuclear explosive activities, including research on or development, design, manufacture, construction, testing or maintenance of any nuclear explosive device, or components or subsystems of such a device.
  - B. Unsafeguarded nuclear activities, including research on, or development, design, manufacture, construction, operation, or maintenance of any nuclear reactor, critical facility, facility for the fabrication of nuclear fuel, facility for the conversion of nuclear material from one chemical form to another, or separate storage installation, where there is no obligation to accept International Atomic Energy Agency (IAEA) safeguards at the relevant facility or installation when it contains any source or special fissionable material (regardless of whether or not it contains such material at the time of export), or where any such obligation is not met.
  - C. Safeguarded and unsafeguarded nuclear fuel cycle activities, including research on or development, design, manufacture, construction, operation, or maintenance of any of the following facilities, or components for such facilities:
    1. Facilities for the chemical processing of irradiated special nuclear or source material;
    2. Facilities for the production of heavy water;
    3. Facilities for the separation of isotopes of source and special nuclear material; or
    4. Facilities for the fabrication of nuclear reactor fuel containing plutonium.
  - D. Written authorization will be obtained from the Bureau of Industry and Security prior to re-exporting or transferring the items or technology, unless they would be eligible for export from the United States according to U.S. export regulations.
  - E. Will not be used, sold, resold, delivered, or transferred, directly or indirectly, contrary to U.S. export regulations.
  - F. Will not be imported, re-exported, or transferred:
    - to be used in the design, development, production, stockpiling, or use of:
      - chemical or biological weapons and their precursors.
      - missiles, rocket systems, or unmanned air vehicles of any range or payload. "Rocket systems" include, but are not limited to, ballistic missile systems, space launch vehicles, and sounding rockets. "Unmanned air vehicles" include, but are not limited to, cruise missile systems, target drones, and reconnaissance drones.
    - to be used in the design, development, production, construction, support, or maintenance of a maritime nuclear propulsion project; including maritime nuclear propulsion plants, their land prototypes, and special facilities for their construction, support, or maintenance, including any machinery, devices, components, or equipment specifically developed or designed for use in such plants or facilities.
    - for use in crime control and detection commodities and end uses.
    - to destinations embargoed by the U.S. government in violation of U.S. government export and re-export regulations.
    - to entities listed on U.S. government denial lists: U.S. Department of Commerce Denied Persons List ([www.bis.doc.gov](http://www.bis.doc.gov)), Treasury Department Specially Designated Nationals and Block Persons Lists ([www.treas.gov/ofac](http://www.treas.gov/ofac)), State Department Debarment List, and State Department Nonproliferation Sanctions List ([www.pmddtc.state.gov](http://www.pmddtc.state.gov)).
    - for use by the end users listed on the Entity List, Supplement No. 4, Part 744 of the Export Administration Regulations without approval from the U.S. Department of Commerce or the E.A. Fischione Corporation International Department. This list is available at [www.bis.doc.gov](http://www.bis.doc.gov).
    - for use by persons on the Unverified List as published by the U.S. Department of Commerce Bureau of Industry and Security. This list is available at [www.bis.doc.gov](http://www.bis.doc.gov).
    - for use by persons who commit, threaten to commit, or support terrorism. The term terrorism means an activity that:
      1. Involves a violent act or an act dangerous to human life, property, or infrastructure; and
      2. Appears to be intended to:
        - a. intimidate or coerce a civilian population;
        - b. influence the policy of a government by intimidation or coercion; or
        - c. affect the conduct of a government by mass destruction, assassination, kidnapping, or hostage taking.

Purchaser company name

Purchaser company representative signature

Purchaser company address (post office box addresses are not acceptable)

Name of signatory (please print name)

Purchaser company telephone number (include country code)

Title of signatory

Purchaser company fax number (include country code)
